

Monarch factbox information

Monarch scheduled flights:

Award winning low fares airline Monarch offers year round flights to Tenerife from Birmingham, London Gatwick, London Luton and Manchester airports with fares, including taxes, starting from £77.50 one way (£138.99 return).

In addition to year-round low fares, Monarch also offers a unique range of tasty hot and cold meals that can be pre-booked or purchased onboard with prices from £2.00. Seats can be pre-booked at £8.50 per one-way flight to avoid the last minute free-for-all experienced on some other airlines, or for only £25, extra-legroom seats are available, which offer up to six inches of extra space.

Passengers travelling on scheduled flights can also avoid the queues at the airport and take advantage of online check-in, which is available between seven days and 4.5 hours prior to departure.

For more information or to book, visit www.monarch.co.uk.

Monarch Holidays:

Award-winning travel group Monarch offer a huge range of great value holidays, accommodation options, car hire and travel insurance with a week's holiday to Tenerife starting from just £235 per person, based on two sharing at a 3 diamond rated property on a self catering basis and including Monarch flights from Birmingham, Gatwick, Luton or Manchester to Tenerife South.

General:

Monarch is one of the UK's largest leisure airlines, operating both charter and scheduled flights. The airline is the principal independent supplier of charter seats to tour operators large and small, flying to around 100 destinations across Europe, America, Africa and Asia from the UK's principal and regional airports.

The scheduled service division of Monarch Airlines offers low cost services from Birmingham, London Luton, London Gatwick and Manchester Airports to destinations in Spain, Portugal, Gibraltar and Cyprus.

The airline, based at Luton, operates one of the most well-equipped fleets in the skies today comprising 24 Airbus and eight Boeing aircraft. The airline will also be one of the first UK carriers to take delivery of the Boeing 787-8 Dreamliner aircraft which are set to revolutionise flying during the next decade.
